Explanatory Note

(This does not form part of the Notification but is intended to indicate its general purport).

According to sub-rule (2) of rule 2, Chapter V, K.E.R.s. the provisional list of areas for opening new schools and for upgrading existing schools in 1981-82 should have been published by the Director of Public Instruction before the end of January 1981. Under sub-rule 4 of the same rule, the final list of areas should have been decided by Government before the end of July, 1981 and thereafter published by the Director of Public Instruction. Under rule 2A the Director should have invited applications for opening of new schools/upgrading of existing schools by notification in the Gazette in the month of October 1980. The last date for issue of orders by Government on the applications should also not have gone beyond 28th February 1981.

The time schedule prescribed by the rules could not be followed in respect of schools proposed to be newly opened/upgraded during 1981-82, due to several reasons. As such a revision of the time schedule has become necessary, invoking the powers conferred by sub-rule 6 of rule 2 and sub-rule 8 of rule 2A of Chapter V, K.E.Rs. Government have satisfied themselves that the new dates prescribed would give sufficient time to all concerned for the completion of the formalities required in the matter. The notification is intended to achieve these objects.
